## Update on Sponsorship for the COPAS Spring Meeting

You may recall a special meeting we held in August where we voted for and passed to allocate \$25,000 of society funds to the national meeting fund if we could not secure enough backing through sponsorships. We are proud to announce that we have raised **102%** of our sponsorship target for the national meeting! We are incredibly lucky that so many organizations recognize the value of petroleum accounting and COPAS. Thank you to Erin Drake for all the work she has put in as Fundraising Chair. You can see a list of sponsors on page 4.

## Announcement Regarding CPE

Since PASPB is hosting the 2024 COPAS Spring Meeting, our Spring Education Day and April luncheon will not take place this year. We suggest PASPB members attend the national meeting for CPE hours. If that is not possible, please see the available COPAS webinars on page 7 for CPE options. If you would like to share available CPE opportunities in or around Midland-Odessa with other PASPB members, please email [Cynthia Collins](mailto:Cynthia.Collins@paspb.org).

## Join the Board of Directors!

We will vote for incoming board members during our May meeting. We have three 3-year term positions and a backfill position with a 1-year commitment. Not ready to commit to three years? We will also have chair positions to fill! Please email [Savannah Ballard](mailto:Savannah.Ballard@paspb.org) or [Evan Green](mailto:Evan.Green@paspb.org) if you want to add your name to the ballot or want more information on board and chair positions.

## FEBRUARY LUNCHEON

February Speaker: Gregory E. Martin, J.D., LL.M of Stubbeman, McRae, Sealy Laughlin & Browder presented “Powering Your Legacy: Estate Planning for Energy”.

From left to right: Tahliya Pointer, (student), Savannah Ballard (PASPB President), and William Adams (President of the student Accounting Assoc.).

Our guests of honor were accounting students from UTPB. They’re giving us insight into ways PASPB can help accounting students entering the O&G sector. We’re excited about this collaboration!

Gregory E. Martin, an esteemed author, speaker and attorney of estate planning and probate law, shared a dynamic presentation. It was an incredible session with great feedback. He has generously shared his presentation slides with us [here](#).

Diana Gonzalez and Fernando Villalon were the first recipients of the APA scholarship.

One of PASPB’s objectives is to “advance the standing of the profession of petroleum accounting”. In alignment with this objective, we proudly awarded two members with the first APA program scholarship. We want to encourage all of our members to strive towards continuous self-improvement through goal setting and education. Congratulations, Diana and Fernando! We look forward to celebrating your accreditations! If you feel inspired to begin your own journey towards the APA, please visit [here](#).
